

Agitator Rage

Unleash the most powerful Agitator ever engineered.

This isn't an upgrade – it's a revolution.

Agitator™ Rage delivers raw, on-demand force that dwarfs anything else on the market. Purpose-built for extreme drilling conditions, it hits harder, performs longer, and cuts friction like nothing you've seen before.

Powered by the legacy of 10,000+ successful Agitator On-Demand runs, Rage puts aggressive, high-impact energy directly in your control.

When drilling gets tough, this is the hammer you want in your string. No fluff. No compromise. Just brute-force performance engineered for the world's toughest wells.

Features and Benefits

- **Instant Power:** Single-dart activation for precise, on-demand force.
- **Extreme Output:** Increased pressure drop drives unmatched axial force and friction reduction energy.
- **Built to Last:** Rugged design thrives in the harshest wells.
- **Outperforms Competitors:** Excels in curves, long laterals, and tough runs.

Technical Data

Nominal size	5.25 in.	6.5 in.	7 in.
True OD	5.25 in.	6.5 in.	7 in.
Overall length	13.5 ft	14.3 ft	14.1 ft
Weight	704 lb	1,160 lb	1,275 lb
Flow rate range	200–450 gpm	400–750 gpm	450–900 gpm
Pressure drop (not activated)	50–100 psi	50–100 psi	50–100 psi
Pressure drop (activated)	500–800 psi	700–1,200 psi	700–1,200 psi
Tensile yield	465,000 lb	790,000 lb	815,000 lb
Torsional yield	31,500 ft-lb	59,200 ft-lb	65,000 ft-lb
Max temperature*	320°F	320°F	320°F

* High temperature option available on request (rated up to 375°F)
